### Answers to Frequently Asked Questions:

- **The Kineo Shuttle is CASH ONLY.** There is an ATM at the Rockwood Convenience Store, on your left as you enter Rockwood.
- The crossing from Rockwood to Kineo takes approximately 10 minutes.
- The Kineo Shuttle does not have a ticket booth; you will be paying the captain **in cash** as you board.
- In good weather the shuttle will accommodate 20 passengers; the captain may elect to carry fewer passengers in rough weather. If for any reason there are more passengers waiting to board than can be safely ferried across on a scheduled trip, the shuttle will return immediately for those left behind.
- When you step off the docks on Kineo you are at the trailhead for the Mt. Kineo State Park hiking trails. To hike to the observation tower at the top of Mt. Kineo and back to the docks via the Bridle Trail and Indian Trails takes approximately 2 – 2.5 hours. If you choose to go down the North trail from the tower, it becomes a 4-5 hour hike.
- The golf course does not rent golf carts for sightseeing. They are only rented to golfers, per the request of the Kineo Community Owners Association, and they cannot leave the course.
- The golf course and cart paths are not hiking trails.
